

Custom Woven Clothing Labels (#CWLab)

Product Images

Description

Create your own brand with labels custom woven with your logo, event name or details.

Includes insertion into your garments at the time of manufacture.

We will hold any left over labels for future orders.

NB - Initial label manufacture can add to garment production times. We suggest pre-ordering labels for future use.

Minimum Order Quantity is per design/artwork

For use on Express Wear products only. We do not supply clothing labels individually, sorry
